

Aliens Kin

Time will tell
When you're feeling it
You will know
When you're really in it
Or it's in you
Cause it is you
It's you

All the clues

All the clues
All You'll ever need
Right Before your eyes
Right Beneath your feet

Cause it is you
It's you
It's you

Cause you are just an alien
Caught up in this human skin
You are just an alien
Won't you join me in
In this human dance

So we, are
We are but aliens
Nonetheless
I love your human skin
And I for one
I'm sure gonna miss you when

The time do come
When we shed our human skin
So would you be so kind
While we're in the here and when
Would you join me in
in this human dance

Cause we
are but aliens
So join me in
Join me in this human dance
